"CORONATION ODE"

BY

ARTHUR CHRISTOPHER BENSON AND EDWARD ELGAR.

The "1911 EDITION," just published, contains a new number,

"THE QUEEN,"

(Following No 1 "Crown the King.")

Societies possessing the Original Edition of the ODE may obtain the New Number separately, price 3d. net. "Peace, gentle Peace" is omitted.

Two slight verbal alterations have been made:—

In "Only let the heart be pure" the last line is now "Crown *thy* victories with peace!", and in "Land of Hope and Glory" read "How *shall* we extol thee."
