## Cash Register 2

John-Luke Mark Matthews

If an antique cash register, enter the following values for items:

14.63 Taxable

7.08 Non-taxable

11.25 Non-taxable

3.00 Taxable

5.20 Taxable

18.99 Non-taxable

0.25 Non-taxable

Subtotal

Total

Compute change for \$100.00

---

If a newer cash register with optical item scanner, prepare random items prior to performance and scan them during the performance in whatever way you prefer.
